THE APPEAL ON TOP. For the first time in years the Appeal to Reason is in the clear. For ten years the government has been trying to suppress that pathrough persecution. All sorts of framed up suits have been brought against it in the name

witness. In another the charge was sending obscene matter through the mails. I have forgotton the third charge.

But the conspirators fell out forged various names on notes on office inspector named Chance, gave the whole plot away. Then came the hurried dismissal of all

> Then the Appeal turned its batthe dirty crowd behind its persecutions

The first suit for libel came up in an Oklahoma court last week against an editor named Vetch. who had said in his sheet that J. A. Wayland, founder of the Apthe claim of the plutes that the Socialists are "free lovers."

But the dirty wretch did not apjudgment by default for \$5,000 was rendered in favor of the Ap-

That is the way the plutes play their game. For years the editor of the Kicker has been shamefully abused through the local press. But the alleged editors had noth- ents. Mr. Belk returned the same ing. The plutes usually owned the paper. Any tramp printer Tuesday could come along and be installed as editor. All he had to do to be well fed and respectable was to give Hafner hell. The alleged editor would have nothing and the ed for all it would stand. Hence shread the corn for neighbors. if I would have attempted to make 'em prove it, it would proba-

bly have saddled the costs on me. Seeing that I made no resistance along that line they got reckless and finally one tried it against whom a small judgment might hold I don't know-and am not worrying about that. I haven't got the judgment yet, and realize that I am opposing the same crowd that was able to secure a jury verdict against me

COST OF GOVERNMENT.

One of the declarations of the Baltimore platform that elicited thunderous applause from the weary delegates was a denunciation of the "profilgate waste Remarkable Success of these Talented of money wrung from the people by oppressive taxation thru the lavish appropriations of recent Republican congresses." A demand was made for a return to that "simplie ty and economy which befits a democratic government and a reduction in the number of usethe State of Missouri for the less of ices, the salaries of which treatment of deformities and all frain the substance of the people."
